ABOUT ME

Aspiring Data Science student with basic knowledge of Python, Database management system, and data analysis. Interested in extracting meaningful insights from data and solving real-world problems. Eager to learn new technologies and apply analytical skills in practical projects.

EDUCATION

DRIEMS University | 2024-2028

Bachelor of Technology in Computer Science Engineering

Model H S School Of Science & Commerce | 2022 - 2024

Higher Secondary Education (12th Grade)

TECHNICAL SKILLS

Languages: Python, SQL, HTML, C

Data Science: Pandas, NumPy

Visualization: Power BI, Excel Advanced Analytics

EXPERIENCE

Central Tool Room & Training Centre (CTTC)

Data Analytics Intern, Bhubaneswar

Government of India, MSME

June–July 2025

Studied data analytics concepts including Python for data analysis, SQL, machine learning basics, Advanced Excel, and Tableau for data visualization.

LetsUpgrade

Student Ambassador

Remote

April 2025

Participated in the Student Ambassador Program, promoting tech education and helping students learn new technical skills.

PROJECT

Python, SQL, POWER BI

Dec 2025

Super Store Sales Dashboard & Forecasting

Developed an interactive sales dashboard to analyze sales, profit, quantity, and regional performance of a superstore. Used data visualization to track monthly sales trends, customer segments, and payment modes. Also created a 15-day sales forecast to predict future sales patterns and support data-driven decision making.

CERTIFICATIONS & ACHIEVEMENTS

- **Power BI MasterClass – NoviTech:** Learned data visualization and dashboard creation using Power BI.
- **Data Analytics Certification – CTRTC (MSME):** Trained in Python, SQL, Advanced Excel, Tableau, and basic machine learning.
- **Python Programming Certification – Cisco:** Developed Python programming and problem-solving skills.
